PART B – PRODUCER’S CERTIFICATION

The undersigned producer(s) (“Producer”) has requested a loan or loan deficiency payment (LDP) from the Commodity Credit Corporation (CCC). With respect to the commodity which will be the subject of such loan or LDP, the Producer certifies that; (1) the Producer has had beneficial interest in the commodity and has not lost such interest before filing for the LDP application or loan application; (2) the Producer did not enter into any written option to purchase or any written contract for sale, with respect to the commodity to sell, deliver, or market the commodity, before such loan or LDP was requested; (3) the Producer did not enter into a verbal option to purchase or verbal contract for sale, except as noted below; (4) no payment with regard to such commodity was received before such loan or LDP was requested. The Producer understands that this certification is subject to review by CCC to determine that no option to purchase, contract for sale, or payment was applicable to the commodity. If any option to purchase, contract for sale, or payment is later negotiated while the commodity is pledged for collateral for a loan, the producer agrees to notify the County FSA Office of such event and to provide a copy of such option or contract to the County FSA Office for review. Upon such notification, CCC shall review such option to purchase and contract for sale for a determination of the date beneficial interest would be considered to have been lost. By signing this certification, the Producer warrants and agrees that the making of any fraudulent representation may render the Producer subject to criminal prosecution under Federal law and will result in the refund by the producer of any amounts paid as the result of the fraudulent representation, plus interest.
